

May 15th 2022 opening of the 31st General Chapter of the sisters of Our Lady of the Cenacle

Opening celebration: 41 sisters from around the

world were called by their name by Sr Patricia Byrne, Superior General. Each one responded in her native language: "Here I am!"

Two sisters, sr Véronique and sr Maurizia, who were already in Rome at home, were with us by zoom. They were "contact cases" of covid. But at 6pm, after a negative test, they were able to join us, to the great relief and joy of everyone.

After declaring our 31st General Chapter open, Sr Patricia, in her opening words, invited us to listen to each other and to take into consideration the reality we carry, in order to hear what God wants to tell us today.
